Re: Amended August Monthly Report

Dear Ms. Rocco:

I am in receipt of your letter dated October 10, 2008 seeking clarification as to the need for an amendment. When the PAC was preparing its September Monthly Report we noticed that through a data entry mistake, the disbursements did not appear on the original August Monthly report. The disbursements were then properly input into the reporting system and an amendment filed.

Please note that we have also just concluded an internal audit and reconciliation of our records and identified some additional minor discrepancies on our reports. Thus, we are also filing amended reports starting with the June Monthly report to correct these discrepancies.

Sincerely,

Richard Hunt
Treasurer
